

**PDF Instructions for your Authors**  
**2023 IEEE International Autumn Meeting on Power, Electronics and Computing (ROPEC)**

**Before Creating a PDF**

- The PDF must be produced with the official conference template available at

<http://ropec.org/ropec2023templates/>

- Do not change the fonts or the style of the template. Strictly follow the template guidelines.
- Double check the conference name is in all of the pages header and the conference ISBN is only in the first page footer, if this is not the case perhaps you are not using our template. Do use it.
- Both, the header and the footer, must be centered.
- Do not insert page numbers.
- Capitalize the first and last words of the title, as well as any other principal words (e.g. THIS IS MY TITLE (WRONG), This is my title (WRONG), This is my Title (OK)). For further information see: <https://www.scribbr.com/mla/titles>
- Do not modify the title font style, no Italic, no boldface, no uppercase, ...
- Do not attach ordinal numbers to the authors.
- Keywords are optional for Conference Papers
- Please proofread your source document thoroughly to confirm that it will require no revision. IEEE does not allow for replacements, once the paper is posted to IEEEExplore.

Failure to fulfill these requirements can result in your paper being left out of the conference proceedings.
